

WELCOME TO WILLOW STREAM SPA

FIND YOUR ENERGY

Welcome to Willow Stream the spa at The Fairmont Scottsdale Princess.

Where the rugged Sonoran Desert floors rises to meet the imposing ridge of the McDowell Mountains. It is a place born of air, earth, fire and water. The innovative spa design was inspired by a place called Havasupai Falls (pronounced Hah-vah-soo-pie), a hidden oasis in the Grand Canyon where energy unites and restores. The spa's soothing mesa rooftop pool combines the healing elements of water and air under the cobalt canopy of the Arizona sky at the base of the McDowell Mountains.

You can relax in the Desert Oasis, the open-air reflection atrium or experience the sheer joy of the waterfall's energy. The Willow Stream Suite is perfect for couples, mothers and daughters or girlfriends on a spa retreat. Guide your own experience in our Men's and Women's Relaxation Areas, taking advantage of the multiple therapeutic amenities, from the whirlpool to the eucalyptus inhalation room. Stimulate your mind and your muscles in the Fitness Center. The air, the water, the earth are charged with energy. It's time to draw strength from the surroundings as you connect your spirit with the aura of the Arizona desert and canyons.
