

Here today. Here tomorrow.

At Fidelity we've been in the retirement business since the birth of the 401(k). **Unlike many competitors - more than 15 recordkeepers of whom have left or consolidated their 401(k) business since 1999¹ - we're in the business to stay.**

Did you know that Fidelity's retirement plan retention rate is 99.4%?²
Or that 97%³ of plan sponsors would recommend Fidelity to a colleague?

Even with these accolades, we never stop working to improve our product for you.

Look at what our latest round of enhancements provides:

- ▶ **Plan sponsors get more control and faster processing on Fidelity Plan Sponsor WebStation[®]**
- ▶ **Participants get new, more powerful retirement planning tools on NetBenefitsSM**
- ▶ **You, plan sponsors, and participants may benefit from added investment options**

We'll stick with you. We'll provide the right people, the right technology, and the right advisor-delivered platform to continually help you grow your business.
